Letter of Reference: Zineb Elomari
Attn: Max Pedro COLLANA | ETF Caténaires - Vinci

Dear Max,

I am writing to provide a recommendation for Zineb Elomari, whom I had the privilege of employing as an *au pair* for a duration of 5 months in Casablanca, Morocco. Zineb's dedication, honesty, and commitment are commendable qualities that I observed consistently during her tenure with our family.

Throughout her time with us, Zineb exhibited a remarkable level of care and compassion, particularly in her interactions with my autistic son. Her genuine concern for his well-being translated into a nurturing environment, contributing positively to his emotional and intellectual development.

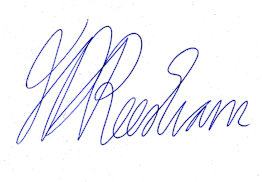

While Zineb showed strength in her dedication to the children's care, I found her communication skills to be particularly effective. She kept us informed about my son's daily activities and milestones, displaying responsible behaviour in handling unexpected situations.

One area where Zineb could benefit from occasional supervision is in maintaining personal spaces. However, her unwavering commitment to the assigned duties and her sincerity overshadow this minor concern. In comparison to more experienced candidates, Zineb's genuine caring nature and dedication to the children's well-being stand out prominently.

In conclusion, I confidently recommend Zineb Elomari for any *au pair* position. Her impact on our family has been substantial, and her dedication to her responsibilities is truly commendable.

Should you require any further details or have additional inquiries, please feel free to contact me via WhatsApp on +255 76 777 5895 or at john@sas.vc.

Sincerely,

John Rees-Evans.
